Sir:

Pursuant to the provisions of 37 C.F.R. §§ 1.56, 1.97(b) and 1.98, Applicant respectfully requests that the citations identified on the accompanying Form PTO-1449 be considered by the Examiner and made of record in the U.S. Patent and Trademark Office.

These documents were cited in the International Search Report for PCT/EP99/08555, a copy of which is annexed. A copy of each of the identified citations is provided herewith for consideration by the Examiner.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If any fees are required in connection with the submission of this paper, including any fees required for an extension time, the Commissioner is hereby authorized to charge our Deposit Account No. 02-4377 for any such fees. Two copies of this sheet are enclosed.
